

Tanner User Group - Share your feedback.

You are receiving this request for feedback because you attended the **Tanner User Group** meeting held in Munich last week

Your feedback is appreciated ,and it should only take a few minutes to complete the survey.

1 What was your role at the meeting?

- Tanner User presenter
- Customer delegate
- Exhibiting partner
- Mentor presenter
- Mentor delegate
- EDA Solutions delegate

2 Based on your experience this year, will you consider **attending next year**?

- Yes
- No
- May be

3 Tell us about the User Group agenda.

[Provide a response in each row please]

| | Give me more like this | and less of these | I don't have an opinion |
|--------------------------------|------------------------|-----------------------|-------------------------|
| User presentations | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Mentor technology sessions | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Guest presentations (eg Bosch) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Specific Tanner sessions | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

4 Tell us **3 hot topics** you would like to included **next year**

Most important

my number 2

and finally...

5

Would you **recommend** the Tanner European User Group to a colleague?

- Yes
- No

6

Do you prefer the **User Group** to be its own meeting (like this year) or should it be a track within the **Mentor User-2-User conference**?

- Definitely a separate event
- I'd like The Tanner User Group to be a track within the Mentor User-2-User conference

Tanner User Group - Share your feedback.

7 Would you consider **presenting next year**?

- Yes please!
- I'll think about it
- Nope

8 Is there something we can do to move you from "I'll think about it" to "Yes please"?

For example...

- Discuss what you do with the Tanner tools and suggest what might be interesting to other users?
- Give you assistance creating your presentation?
- Talk to you manager about how this can help your company?

Or is there something else - give us a clue

9 Would you like EDA Solutions or Mentor to **discuss products/services with you?**

[Tick each one that is relevant]

- Tanner IC Design flow from Mentor
- Simulation/verification
- Design-for-Test
- FPGA
- PCB
- PDK development
- None, thank you

10 If the **city location** for the event were to be changed next year, which would you travel to?

[Provide a response in each row please]

| | Yes | Perhaps | No |
|-----------|-----------------------|-----------------------|-----------------------|
| Munich | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Frankfurt | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Cologne | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Berlin | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Amsterdam | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Paris | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Brussels | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| London | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Cambridge | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

11

Last question!

Do you have any specific (or general) **comments**?

Or can you suggest what we should do to make this a **must-attend** event for all Tanner users?

Tanner User Group - Share your feedback.

**Thank
you**

Thank you for sharing your thoughts.

We hope you enjoyed Tanner User Group 2017 and found it valuable.

See you next year!
